

MEET THE GRIFFINS # 4

“GOOD MORNING, USA” Pt. 1

(We open a few days later at the Griffin household, where we see the family watching TV.)

TV ANNOUNCER: We now return to a very special Gilligan’s Island reunion.

BRIAN: How can they do a reunion special when five of the castaways are dead?

PETER: That’s the joke, Brian.

BRIAN: A very dark joke.

(We cut to Tom Tucker on the TV.)

TOM TUCKER: We interrupt this very dark joke for a special report. Terrorists have hit Sesame Street, as the beloved street block was attacked yesterday by a mysterious group calling themselves The Henson Axis. Sesame Street wasn’t the only place attacked by these puppet terrorists, as The Neighborhood of Make Believe, Groundling Marsh, and Snorkland were also targets.

(Back to the Griffins.)

Peter: (Shocked) Not Groundling Marsh.

MEG: Why would some terrorists do such a thing?

LOIS: They're evil, Meg. Evil.

MEG: That's not what I'm talking about...

(Lois glares at Meg with an evil look.)

LOIS: EVIL!!!

MEG: (Frowns) Screw you all, I got a date tonight.

(Everyone has shocked looks on their faces.)

CHRIS: Meg has a date. Are we on the right series?

PETER: Who's the lucky guy, Meg?

MEG: You know who it is, Dad? It was hinted in the last three issues who I'm dating.

PETER: Zorn from Son of Zorn?

MEG: Dad, I'm a lesbian. I'm dating another girl.

(Stewie turns to the readers.)

STEWIE: You knew it was coming, folks.

(Peter pauses a bit, as Turkey in the Straw plays in the background.)

PETER: Holy crap! Meg's a buffalo gal!

(Meg screams and walks off, as Lois frowns at Peter.)

PETER: What?

(We cut to the CIA, as we see Bullock walk towards to Stan Smith.)

BULLOCK: Smith, I have a job for you.

STAN: But, Sir, my family and I are going to Quahog this weekend to visit my brother.

BULLOCK: Great timing, as that's where I'm sending you. Have you heard of the attack on the popular kid shows by terrorists?

STAN: Sure.

BULLOCK: Our sources have learned that the terrorists are targeting Happy Jolly Farm in Quahog. This is our chance to stop this and bring down their mastermind.

STAN: Do we know who is behind these attacks?

BULLOCK: All we know is that it's someone who has a grudge with kid shows all together.

(We cut to The Muppet Theater as we see various Muppets holding weapons, and a familiar figure enters the room.)

MUPPETS: Hail, Jim Henson!

(Yes, its Jim Henson, but it's really Roger Smith as Jim Henson.)

JIM HENSON: My fellow, Muppets! I have returned with another major target in our takeover of children's television, as we'll be attacking Jolly Happy Farm and then those Canadian shows.

(The Muppets cheer.)

WHATNOT MUPPET: What is this plan that we're taking out these shows?

JIM HENSON: I'm going to create one big new series that will make me the most powerful man in the world. And to do that, I have to get rid of the competition...literally. That's way I created the Henson Axis, and soon I will enlist the help of the most iconic legends to help me.

(We turn to see four coffins, but the names are covered until next issue. We turn to a jail cell where we see iconic Muppets like Kermit the Frog, Miss Piggy, Fozzie Bear, and the Great Gonzo in chains and dirty.)

KERMIT: (To Roger) We know you're not the real Jim Henson, and you're ruining his legacy by doing this.

JIM HENSON: Quiet, Greenie, or I'll make you and Porky Pig into frogs' legs and pigs' feet!

(Cut back to the Griffin's house, as we go to the living room where Meg is sitting on the couch playing a video game. The game is a mix of Donkey Kong and Halo.)

(There's a knock at the door, as Meg opens the door to see Connie. The two kisses.)

CONNIE: Ready for our date, Meg?

MEG: Sure, let me get my jacket.

(As Meg gets her jacket, we see Peter and Lois looking on in the kitchen.)

LOIS: (Shocked) Meg is dating Connie Dimicco!

PETER: Like I said about Buffalo Girls, Lois.

LOIS: Peter, Meg isn't like that. But why Connie? I thought it would be one of her friends?

PETER: I've been trying to figure out what Brian's been up to in his room. He's been up there for the last five hours.

(We cut to Brian's room in the attic, as we see him working on a laptop searching for something. We soon see an article with the words: "Experimental Animals Killed at Pewtersmit Labs.")

BRIAN: Holy Crap, I found it!

(Brian prints out the article.)

BRIAN: After all this time, I get to find out where I came from and avenge my mother.

TO BE CONTINUED....

NOTE: Welcome to the newest issue of Meet the Griffins that introduces characters from American Dad into the series. I had this idea to do a real Family Guy/American Dad crossover that didn't have the Smiths being cameo roles. I wanted to see the Griffins and the Smiths interact in a shared universe, unlike the FG/Simpsons crossover that was just meta all over.

Francine, Steve, Haley, Jeff, and Klaus are going to be in next issue. Yes, Jeff Fisher is going to be in the story and with the Smith family. And yes, the Smiths know about Roger and his personas, and will have a link to Brian and Stewie's origin.

After the Lawndale crossover ends, there will be a storyline that will tell about how Brian and Stewie got the ability to talk and get intelligent and introduce three other FG characters in the process.
